- **K. Dhru Beeharilal**, a certified coach focusing on Mindset, Human Dynamics, Culture, and Leadership, has been supporting leaders in deepening their self-awareness for over **13 years** and founded **Nayan Leadership LLC** in **2018** to assess and solve business challenges and effectively bridge gaps for a healthier workforce.
- Dhru established the **No Limits Mastermind** with a weekly group session and a monthly learning program. It is designed for business owners and coaches who want to make genuine connections and shape goals. Dhru also launched a YouTube channel to reach a wider audience and create valuable resource videos for the communities he serves.
- Our custom leadership development and DEI programs are developed using the Agile Software Methodology which incorporates a cycle of rapid, strategic action/testing, feedback, and iteration.
- Our certified coaches have management and coaching methodology training and diverse demographic perspectives, delivering and debriefing world-class assessments to address unique constraints.
- Our coaches have dealt with and served Federal Government clients and are acquainted with the challenges and opportunities that government sectors provide.
- Our approach is practical but not superficial, and we intensely scrutinize underlying issues throughout all of our engagements. Our business delivers coach matches in as little as 10 days, which allows for quicker solutions.
